CAMPAIGN FINANCE SUMMARY

Individuals, political committees and funds, and political parties contributed \$716,184 to state officeholders in 1983, a nonelection year, according to a summary of campaign reports compiled by the Ethical Practices Board.

The summary includes reports of receipts and expenditures by the principal campaign committees of the governor, lieutenant governor, attorney general, secretary of state, state auditor, state treasurer, and senators and representatives in the state legislature.

State executive office holders received total contributions of \$156,221 in 1983, including \$109,849 from 219 contributions in amounts over \$200 (70% of contributions received). State legislators received total contributions of \$559,963, with 48% received from 2,171 contributions in amounts over \$50. This represents a 25% increase over nonelection year 1981, when state legislators received \$188,257 from 1,480 contributions in amounts over \$50 (42% of total contributions of \$448,050). The three candidates received a total of \$56,954 in contributions, 53% from 158 contributions in amounts over \$50. The candidate committees reported campaign expenditures of \$52,039.

The Board's summary includes, for each officeholder, total contributions received; total transfers to other candidates and committees; total campaign expenditures; beginning and ending cash balances; and a listing of the names of individuals and committees or funds contributing, in aggregate during 1983, more than \$50 to state legislators and \$200 or more to state executive officeholders.

Campaign finance reports of officeholders and candidates in the 1983 special election are available for public inspection in the Board office, 41, State Office Building, St. Paul. ETHICAL PRACTICES BOARD ISSUES 1983 POLITICAL COMMITTEE AND  
FUND CAMPAIGN FINANCE SUMMARY

A record \$6.46 million in contributions was received by 632 political committees and political funds in 1983, a nonelection year, according to a summary of campaign reports compiled by the Ethical Practices Board. This represents a 9% increase over nonelection year 1981, when \$5.97 million was received, and a 50% increase over the \$4.36 million received in 1979.

Included in the \$6.46 million total are contributions of \$3,178,246 received by 320 political committees and funds other than political party units. All but 7% of the total was received in amounts of less than \$200. Separate donations of \$200 or more were received from 614 donors, totaling \$211,057.

Treasurers of 632 political committees and funds were required to file with the Board a report of receipts and expenditures covering January 1 through December 31, 1983. Included in this number are reports by 312 committees of the Democratic-Farmer-Labor, Independent-Republican, and other political parties as well as 320 committees and funds established by associations in order to contribute either to candidates for state offices or to support or oppose state constitutional amendments, or both.

Political party committees received a total of \$3,280,128 in contributions during 1983. One-fourth of these contributions was received as separate donations of \$200 or more from 1,243 contributors, totaling \$796,528.

According to statistics compiled from campaign finance reports filed for 1983,

AN EQUAL OPPORTUNITY EMPLOYER

111 labor-oriented committees and funds (including education-related) received over 99% of their \$1,633,057 total contributions in amounts of less than \$200. In the issue-oriented category, 107 committees and funds (including membership associations) received total contributions of \$930,713, with 9% received as separate donations of \$200 or more from 228 contributors. In the remaining category, 102 business-oriented committees and funds (including trade, professional, and health-related) received 20% of their \$614,476 total contributions as separate donations of \$200 or more from 390 contributors.

In nonelection year 1983, the 632 political committees and funds reporting to the Board contributed \$882,792 to influence state election campaigns, and to promote or defeat state ballot questions. This represents a 25% decrease from 1981, another nonelection year, when \$1.2 million was contributed by 548 political committees and funds and a 4% decrease from the \$919,023 million contributed in 1979 by 514 political committees and funds.

The Board's 1983 summary includes, for each political committee and political fund, total contributions received; total contributions to candidates and other committees; beginning and ending cash balances; and a listing of the names of individuals and committees or funds contributing, in aggregate during 1983, more than \$200.

Campaign finance reports of candidate and officeholder principal campaign committees, political committees, and political funds are available for public inspection in the Board office, 41 State Office Building, St. Paul. Copies of legislators' reports are available, also, in the county auditor's office in each county in the legislators' districts.
